

HUMVEE®

13-SERIES CHASSIS

Rugged, Reliable, Resilient & Robust

The HUMVEE® 13-Series Chassis is mission-ready to provide robust power to a wide range of indigenous vehicles. Featuring an upgraded powertrain, cooling system, and engine, this chassis offers proven performance that excels in even the most rigorous environments.

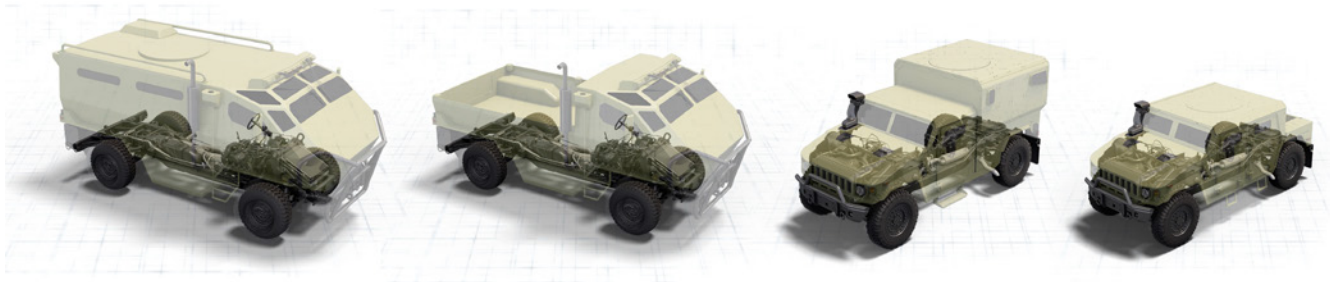

The chassis is offered as a fully-assembled unit ready to integrate with your customized vehicle body, or delivered as a knockdown kit ready for assembly at your facility.

POWER YOUR **INDIGENOUS** VEHICLE
MODERNIZE YOUR **EXISTING** FLEET
